

STREET REACH

**"And you
will be
called
the repairer
of the breach, the
restorer of the streets
in which to dwell."**

Isaiah 58: 12c

HANDS ON MISSIONS

STREET REACH
A Ministry of Brinkley Heights Ministries, Inc.

3275 ROSAMOND
MEMPHIS, TN 38122

**HANDS ON
MISSIONS**

our purpose

To provide a cross cultural short-term mission trip experience for Christian mission groups, challenging them to grow spiritually by ministering to inner city families with HANDS-ON love and compassion.

what we are about

STREET REACH is part of a comprehensive effort to reclaim our inner city for Jesus Christ.

what we believe

For the children and youth that live in our community, drugs, gangs, crime, and violence are not just stories seen on the news, they are a way of life. Almost every family has been impacted by some type of abuse and the results can be seen everywhere. We believe the Lord wants us to reclaim our community. God speaks to all Christians in Isaiah 58:12, "And those from among you will rebuild the ruins; you will be called the repairer of the breach, the restorer of the streets in which to dwell." We believe the Lord has given us an opportunity to join Him, to be His arms, hands, and feet on mission to save a dying and lost community.

what we do

- **Mission Trip Opportunities** every spring and summer for students and adult mission groups. Acts of service include: Backyard Bible Clubs, minor repair and painting of homes, mowing lawns, taking part in daily sports camps, and many more community projects.
- **Bible Clubs** are provided for community children within a three mile radius of Brinkley Heights Church in north Memphis, Tennessee. Mission groups are assigned to help conduct Bible Club sites.
- **Minor Home Repair and Lawn Service** is provided to elderly and single mother families dependent on fixed income or no income.
- **Reading Clubs** are provided to help improve the literacy level of our children. High student to teacher ratios in our schools do not meet the individual reading needs of our community children. Our kids are at the point of starvation for love and encouragement and need this important but often neglected educational skill. Mission groups will be used to meet this need with individualized care.
- **Nursing Home Visitation** is an important ministry of Street Reach. With the hustle and bustle of inner-city life, the elderly are often neglected and treated as "throwaway" citizens. Mission groups will be assigned to visit one or two community extended health care homes to assist in games, talent shows, and one to one quality love and care sessions.
